

To Whom It May Concern

I hereby grant **Mr. Rouhollah Afsharpour** this certificate for having worked with us between 06-04-2013 to 11-03-2014. He worked with us as a civil engineer in our company, which involved the following tasks: Assist Manager in design and evaluation of constructions, determine whether issues like erosion, settlement and slope will pose a safety risk to the proposed project, review construction design proposals and approve geotechnical aspects, planning detailed field investigations by drilling and analysis samples of deposits/bedrock and responsibility for some geotechnical experiments such as bearing capacity, shear strength, permeability, consolidation and compressibility.

During this period we have observed him as most professional and discharged his work of his position very efficiently and conscientiously.

Yours Faithfully,

Reza Galegirian, 25/06/2015
